URBAN DISTURBANCE (FORMERLY KNOWN AS ZOOTROUPIA)

This dynamic ensemble specializes in impromptu, anything-goes performances. They turn up at beaches, schools, street corners, shopping malls, and public parks to delight and surprise unsuspecting bystanders with musical skits, improv sketches, silent plays, laugh-out-loud frolicking, pantomimes, and barely under-control cavorting. Urban Disturbance is made up of hugely talented artists whose individual careers have already thrilled local audiences throughout South Florida. Now these six astonishingly gifted performers have pooled their talents to create Miami Performing Arts Center's Urban Disturbance, a remarkable street theater troupe of singers, actors, dancers, aerialists, super heroes, uncommon folks, fire-eaters, championship wrestlers, cabaret divas, and surrealist clowns. They are serious about entertaining people and making them laugh with delight.
